REQUEST FOR PROPOSAL

LED Screen — 2027 FBMA International Show Jumping Cup

Technical & production requirements for agencies

Event Overview

The FBMA International Show Jumping Cup (FBMASJ) is an international event that happens once every year. Riders from all around the world participate in this event.

The whole family will enjoy an activity zone accompanying the Cup. The family-friendly activities include equestrian-inspired games and pony rides, all geared towards a fun day out that encourages children and youth to engage with horse-riding. Live music, food trucks, art displays and market stalls will also provide leisure and entertainment for all throughout the Cup.

Pitch Overview & Agency Expectations

The RFP technical response should be a maximum of 3 pages. The successful agency will need to demonstrate and propose the following:

LED Screen — Arena Surround Specifications
